ISSUE DATE	LAST BUY DATE	NOTIFICATION NO.	LAST SHIP DATE
3/20/2006	N/A	PCN-20060407-1	N/A

This is to assist you in completing RoHS Compliance forms for the following products.

Product ID (Description):

SHARP LCD panels of 3.8" and greater diagonal measure which are not in EOL (End-of-Life) Phase

Description of Change:

No changes. This bulletin is for notification purposes only.

Effects:

All of the parts described above are fully RoHS compliant and have been since January, 2006. If compliancy specifications are not listed here on our website, please email us and we will return the specifications to you via email.

We understand that some of our customers may require a CoC (Certificate of Compliance) and must have that document from our QA manager. If you require this level of certification, please contact us and we will generate such documents for you.

Some customers may need to know the mercury content in our CCFT tubes. All of our tubes for the above-mentioned panels comply with the RoHS regulations. For those customers requiring the mercury content in the CCFTs in their particular panel, please use Table 1:
